- 1 At The Woolpack Inn, head up the road, take the first left and head through the gate on the right and across the field. Continue through a couple more gates, bearing left towards St Mary's Church. Cross over multiple bridges until you reach the gated access into the churchyard.
- 2 At St Mary's, bear left into the adjoining field and hug the outside until you reach the gate in the right corner. Cross over Church Lane, turn left then right through the gate and head along the footpath across the field. Head South West through the next two gates until you reach Gusbourne Vineyard.
- 3 Leaving Gusbourne main exit, head down Kenardington Road and take your first left to join a footpath that cuts through more fields. You'll continue down the sloped vineyards until you join The Street leading to Appledore village.
- 4 Turn onto Old Way to join a footpath leading you along the Royal Military Canal. Cross over the bridge and turn left to walk parallel to the long stretch of canal. Eventually, you'll cross a small bridge on left and continue North West towards St Matthew's Church across the fields that neighbours The Woolpack Inn.
- 5 Cut the walk to 1 hour by turning left at St Mary's Church to cut across the fields before joining the canal and heading to The Woolpack Inn.
